How do I see a list of electronic journals in my subject area?

You can see a list of electronic journals on any subject in five easy steps.

For example, if you wish to see a list of electronic journals in the subject ‘Food Science and Technology’

1. Go to the Library’s home page at http://libraries.sta.uwi.edu/ajl/ and click on UWIlinc.
2. Click on ‘e-Journals’.

3. Click ‘By Subject’.
4. Click on the first category, ‘Agriculture Sciences’, to populate the SubCategory pane on the right.

5. Scroll down the Sub-Category pane, click on ‘Food Science and Technology’ and then click ‘Go’.
Congratulations! You now have a list of e-journals in Food Science and Technology
