

**PUBLIC HEALTH DATABASE - PROQUEST**: ProQuest Public Health is a new and unique database; designed to be the ideal starting point for public health information and research. It delivers core public health literature with centralized access to over 800 publications with over 500 in full-text. With journals, news, trade publications, reports and more, ProQuest Public Health covers a wide variety of disciplines ranging from social sciences and biological sciences to business. Journal results are indexed from core literature collected from a variety of publishers using appropriate public-health terminology.

**ROYAL SOCIETY OF CHEMISTRY (E-BOOKS)**: This E-Book Collection spans from 1968-2014 and contains more than 1200 high-quality chemical science books, from Physical to Organic, Environmental to Bio-molecular.

**ROYAL SOCIETY OF CHEMISTRY (JOURNALS)**: A collection of scientific high-impact journals and books in the following subjects:- biology, biophysics, chemical science, materials, medicinal drug discovery and physics. The library's subscription provides access to the Analytical Science Collection and the Core Chemistry Collection Online.

**SAGE JOURNALS ONLINE**: SAGE is the world's 5th largest journals publisher. Its portfolio includes more than 1000 journals spanning the Humanities, Social Sciences, and Science, Technology, and Medicine, and more than 400 are published on behalf of learned societies

**SCIENCE CITATION INDEX EXPANDED (WEB OF SCIENCE, CLARIVATE)**: This citation database provides access to current and retrospective bibliographic information, author abstracts, and cited references found in 5,800 of the world's leading scholarly science and technical journals covering over 100 disciplines in the field of Science. Coverage is from 2001 to present. [See user's guide](#).

**SCIENCE DIRECT**: A gateway that provides access to journals in science, technology and medicine subscribed by the Campus Libraries. Searches can be limited to subscribed or unsubscribed journals.

**SPRINGERLINK (SPRINGER NATURE)**: SpringerLink is one of the world's leading interactive databases for high-quality STM journals, book series, books, reference works and the Online Archives Collection. SpringerLink is a powerful central access point for researchers and scientists. Coverage is available from 1997.

**THIEME E-JOURNALS**: Thieme E-Journals platform provides access to subscribed Thieme e-journals.

**UPTODATE**: UpToDate is an evidence-based knowledge system authored by physicians to help clinicians make the right decisions at the point of care. All UpToDate content is written and edited by a global community of 4,800 physicians, world-renowned experts in their specialties. Supported by UpToDate's 45 in-house physician editors, these authors follow a rigorous editorial process, continually reviewing the content to ensure it is of the highest quality and based on the latest evidence.

**WEB OF SCIENCE**: This resource is an integrated research platform and features such databases as:

- Science Citation Expanded Index;
- Social Sciences Citation Index;
- Journal Citation Reports Science Citation Edition;
- Biosis Citation Index;
- Essential Science Indicators and ISIHighlighted.com

[See user's guide](#). [View recorded training](#).

**WILEY ONLINE LIBRARY**: Wiley Online Library hosts a multidisciplinary collection of online resources covering life, health and physical sciences, social science, and the humanities. It delivers seamless integrated access to over 4 million articles from 1500 journals, 9000 books, and hundreds of reference works, laboratory protocols and databases.

**The University of the West Indies**

Medical Sciences Library

**This is a list of the subscribed and free Medical Databases provided by The University of the West Indies St Augustine Campus Libraries.**

**ALT HEALTHWATCH - EBSCOHOST** : This online resource provides coverage across the full spectrum of subject areas covered by complementary and alternative medicine.

**AMERICAN PHYSIOLOGICAL SOCIETY (APS) CLASSIC PAPERS**: Includes classic articles that have proved vital to the discipline of physiology and the evolution of modern-day medicine.

**AMERICAN PSYCHOLOGICAL ASSOCIATION (APA) Books® E-Collections 2014**: This resource provides electronic access to the full text of 38 APA-published scholarly and professional books in PDF format for the full copyright year 2014. Content includes psychology and related disciplines (including medicine, psychiatry, nursing, sociology, education, pharmacology, neuroscience, and physiology, among others).

**BIOLINE INTERNATIOAL**: Bionline International is a not-for-profit scholarly publishing cooperative committed to providing open access to quality research journals published in developing countries.

**BIOMED CENTRAL** : An online database from an independent publishing house committed to providing immediate free access to peer-reviewed biomedical research.

**BIREME**: A virtual health library which provides access to a number of bibliographic databases and scientific magazines of health information sources in Latin America and the Caribbean.

#### **BMJ CASE REPORTS**

BMJ Case Reports is an online, peer-reviewed journal that publishes clinically-important case reports on common and rare conditions from a range of medical and health specialties. Get access to 18,000 case reports covering rare and common diseases from 70+ countries.

**CAB ABSTRACTS - EBSCOHOST** : A bibliographic database published by CAB International that contains abstracts covering international research in **the applied life sciences from 1973 to present**.

**CINAHL COMPLETE** : CINAHL Complete is **the definitive research tool for nursing and allied health professionals**. With CINAHL Complete, users get fast and easy full-text access to top journals, evidence-based care sheets, quick lessons and more.

**CIRRIE DATABASE OF INTERNATIONAL REHABILITATION RESEARCH**: The CIRRIE Database collects citations from all areas of rehabilitation and compiles them into one central source. are available for most citations.

**COCHRANE VHL**: A collection of evidence-based healthcare resources in the VHL, which includes the complete English version of the Cochrane Library, the complete version of the Cochrane Library Plus produced by the Iberoamerican Cochrane Network , including Spanish contents, and the database of abstracts of the Cochrane Systematic Reviews translated to Portuguese produced by the Brazilian Cochrane Centre.

**CONSUMER HEALTH- PROQUEST**: This database includes journals and magazines covering an enormous range of health subjects, from sports injuries to women's health, from food and nutrition to midwifery, from eye care to dentistry. It includes important general medical journals such as The Lancet and The New England Journal of Medicine as well as a strong selection of consumer and news magazines.

**CORONAVIRUS RESEARCH DATABASE - PROQUEST**: A free health and medical research database for openly available content related to the COVID-19 outbreak

**COVID-19: PANDEMICS PAST AND PRESENT - HEINONLINE**: This database organizes content on COVID-19 into the following areas of focus: Economic Impact, Global Impact, Health Care Impact, and Societal Impact, with an expanding selection of scholarly articles and links to take your learning beyond HeinOnline. Importantly, this collection also features a subcollection dedicated to Past Pandemics, allowing researchers access to ways the federal government has responded to medical disasters of the past and how these previous pandemics inform today's response.

**DENTISTRY & ORAL SCIENCES SOURCE - EBSCO**: This database covers all facets relating to the areas of dentistry including dental public health, endodontics, facial pain & surgery, odontology, oral & maxillofacial pathology/surgery/radiology, orthodontology, pediatric dentistry, periodontology, and prosthodontics. The database is updated weekly on EBSCOhost.

**DIRECTORY OF OPEN ACCESS JOURNALS (DOAJ)** : A service that offers online access to free, full text, quality controlled scientific and scholarly journals. A wide range of research subjects is covered in many languages.

#### **EBSCOHOST**:

A multi-database system that provides access to a number of databases. Take the [Basic searching](#), [Advanced searching I](#) and [Advanced searching II](#) tutorials.

**EVIDENCE DATABASE ON AGING**: The evidence database contains published studies and articles that inform and advance policy discussions regarding aging care and the role of social workers.

**HEALTH AND MEDICAL COMPLETE PROQUEST**: This database offers reliable, comprehensive journal coverage of clinical and biomedical topics, consumer health, health administration and more.

#### **HEALTHCARE ADMINISTRATION DATABASE - PROQUEST**

This database is a collection of reliable and relevant resources in the field of health administration, including journals and dissertations.

**INFORMA (TAYLOR & FRANCIS ONLINE)**: Informaworld™ is a one-stop site hosting journals, eBooks, abstract databases and reference works published by Taylor & Francis, Routledge, Psychology Press and Informa Healthcare.

**LILACS - BIREME**: A bibliographic database on Latin American and Caribbean Health Sciences

**MEDCARIB - BIREME**: A bibliographic database on Caribbean Health Sciences literature.an and Caribbean Health Sciences.

**MEDLINE - BIREME (1966-2006)**: A bibliographic database on international medical literature.

**MEDLINE - EBSCO**:This National Library of Medicine bibliographic online database provides authoritative medical information on medicine, nursing, dentistry, veterinary medicine, the health care system, pre-clinical sciences, and much more.

**MICROMEDEX Healthcare Series**: The MICROMEDEX Healthcare Series of databases is primarily a drug information system and is considered one of the most authoritative resources available. The databases available includes the following: DRUGDEX, DRUG-REAX and Martindale.

**NURSING & ALLIED HEALTH SOURCE - PROQUEST**: This database offers reliable, comprehensive coverage of the fields of nursing and allied health including journals, video, dissertations, reference books and more.

**PAHO/WHO**: Pan American Health Organisation Headquarters Library Catalog.

**PHARMACY LIBRARY (APhA)**: This database provides access to APhA's leading resources: 42 textbooks including The Handbook of Non-prescription Drugs, The Complete PCOA® Review, PharmacotherapyFirst, a peer-reviewed resource focused on disease state management and patient care, self-assessment tools and Faculty-only materials.

**PSYCHOLOGY DATABASE - PROQUEST**: ProQuest Psychology Journals encompasses a wide range of topics from leading psychology and psychosomatic publications.This database provides abstracts and indexing for more than 640 titles, with over 540 titles available in full text.

**PUBMED - NATIONAL LIBRARY OF MEDICINE**: A service of the National Library of Medicine, includes over 15 million citations for biomedical articles back to the 1950's. PubMed includes links to many sites providing full text articles and other related resources.
