

Your institution's subscription to [PharmacyLibrary](https://pharmacylibrary.com) includes access to exclusive resources designed to aid teaching today's student. Available resources include PharmacotherapyFirst answer keys and case tips; downloadable PowerPoint lectures that can be customized; syllabi and course outlines in PDF format; case study answer keys; and faculty-only versions of the Active Learning Exercises.

To access these resources, faculty members should:

1. Go to <https://pharmacylibrary.com> through your institution
2. Click the link to [Sign in to your personal account / Register](#) at the top right of the homepage
3. Sign with your APhA account by clicking the sign in link at the top
 - a. If you do not have an existing APhA account, follow the 'New to APhA' link to create a new account if you do not have one. (You do not have to be an APhA member to have an account)
 - b. After creating your new account, go back to PharmacyLibrary, and sign in using your new credentials
4. Request access to the faculty materials via email: pharmacylibrary@aphanet.org
5. The request will be verified within 72 hours and after verification, your APhA login will give you access to these materials.

Available Faculty Materials:
