WHAT 'S THE URL FOR THE MEDICAL SCIENCES LIBRARY'S WEBSITE?

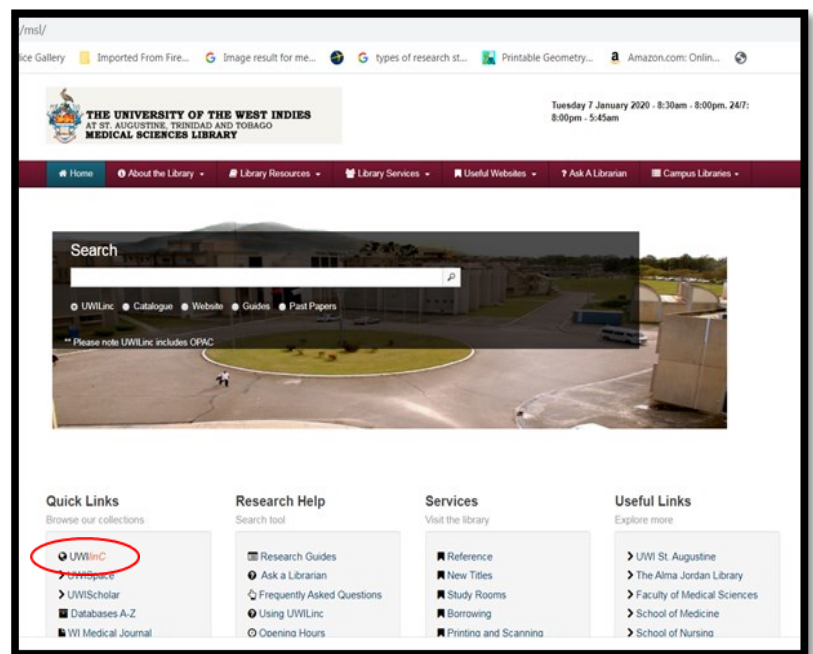

<https://libraries.sta.uwi.edu/msl/>

HOW DO I SEARCH FOR RESOURCES?

Use the UWlinC is the e-information portal on the Medical Sciences Library's homepage.

Click on UWlinC (highlighted) on the landing page:

- UWlinC allows search and discovery from a single interface.
- You can search for UWI information resources from across the English-speaking Caribbean in all formats including UWI's intellectual output, subscribed resources (electronic journals, databases, electronic books) and the catalogues for all four UWI Campuses can be accessed via UWlinC.

HOW DO I REQUEST A BOOK FROM THE MEDICAL SCIENCES LIBRARY?

- Send an email to the Ask-a-Librarian service - AskLib.Med2@sta.uwi.edu
- Details to include: Author, title, call number
- Document delivery services are available

REMOTE ACCESS
Use your **MYUWI.EDU** login information to access electronic resources remotely.

HOW TO SEARCH FOR A BOOK IN THE MEDICAL SCIENCES LIBRARY?

- Use the catalogue.
- Our online catalogue is called the OPAC, It stands for Online Public Access Catalogue.
- It can be accessed from the UWlinC page.
- Use the HELP feature on the OPAC page for further guidance.
