

# CINAHL COMPLETE

**The MSL is pleased to announce its upgrade from CINAHL to CINAHL Complete**

This database gives you access to:

- A collection of 814 global Open Access Journals
- 424 active, full-text, non-Open Access Journals
- Continuing Education and Training courses accredited by the American Nurses Credentialing Center's Accreditation Program and the International Association for Continuing Education and Training (IACET).
- *A reliable* point-of-care resource for nursing and allied health professionals
- 3,604 active indexed and abstracted journals. 3,112 of them are peer-reviewed.
- Joanna Briggs resources

To access this resource, please visit the <https://libraries.sta.uwi.edu/msl/>. Go to Library Resources, Databases, Databases A-Z, Select C from the A-Z list and scroll down to CINAHL Complete.
